The Birthing Suites
at Springhill

Unforgettable birthing experiences.
That's what we deliver.

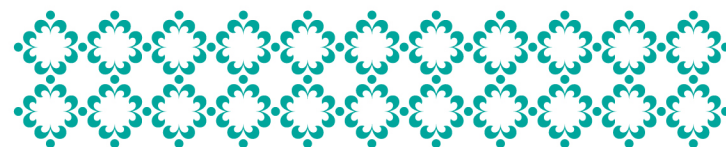

In life, there are few moments that can ever compare to "the big day." Bringing a new life into the world is one of the most incredible, most special things you'll ever experience. That's why we just spent \$3.9 million upgrading our new Birthing Suites, to ensure that every aspect of your birthing experience is as perfect as your little bundle of joy. With spacious upscale rooms, valet parking, meals by request, in-house lactation services, in-room baby baths, and an entire team of specialists dedicated to caring for you and your newest arrival—you can rest assured that every little thing is taken care of.

The greatest care for the tiniest patients

When you're having a baby, you want to know one thing above all else: that you and your newest arrival will be given the best possible care. This mission is the foundation for everything we do at Springhill, from our one-to-one labor and delivery nursing philosophy to the childbirth education classes that prepare you for this exciting new chapter in your life.

- 01 Dedicated one-to-one nurses in labor and delivery
- 02 In-house, board-certified lactation consultant and dedicated nursing rooms
- 03 Prenatal and postpartum education and fitness classes
- 04 Special care nursery available if needed
- 05 OB/GYNs on campus and connected to the hospital
